

Singpass app How-to guide(Android users)

November 2022

3 Simple Steps to start using Singpass app!

All you need is a smartphone, an Internet connection and a registered Singpass account.

**STEP
01**

**Download
Singpass app** from
the Play Store.

**STEP
02**

Launch the app
and complete a
one-time setup.

**STEP
03**

You're all set! You can
now access
government and
private sector services
using your biometrics
(for selected
smartphones) or six-
digit passcode.

For more information, visit <https://app.singpass.gov.sg>.

Find step-by-step instructions on the following:

1

Download Singpass app

2

Set up Singpass app

- I have a local mobile number registered with Singpass
- I do not have a local mobile number registered with Singpass

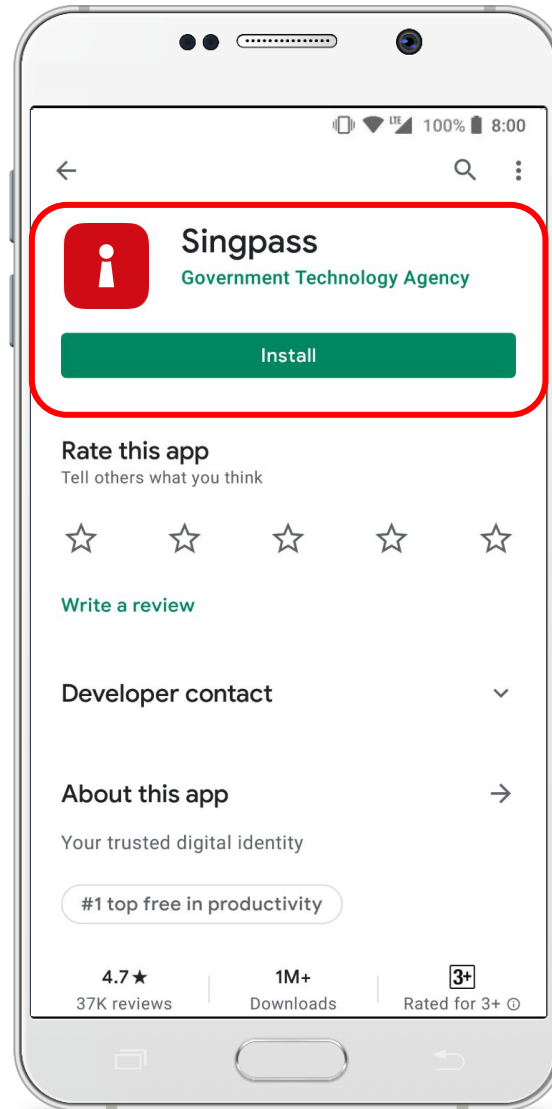

3
